Dear Sir/Madam,

Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – strategic Expansion into the Pet Animal Healthcare and Wellness segment

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform the Exchange that SAMSRITA LABS LIMITED has initiated the strategic expansion into the Pet Animal Healthcare and Wellness segment which fall within the scope of the existing Object Clause of the Memorandum of Association of the Company.

Rationale and Market Outlook

Samsrita Labs Limited, now in human healthcare segment, is leveraging its expertise to address the rapidly evolving pet care ecosystem in India. The expansion is driven by the following key factors:

- **Market Growth:** The Indian pet care market is currently experiencing a robust CAGR of over 20%, fuelled by rising disposable incomes and urban demographics.
- **The "Pet Humanization" Trend:** Pets are increasingly treated as integral family members. This shift has transformed pet grooming and spa services from a "discretionary luxury" into an "essential wellness" category.
- **Strategic Synergy:** The company intends to apply its rigorous healthcare standards to the pet wellness space, providing high-quality, professional grooming and therapeutic services.

The company believes this Strategic Expansion will create long-term value for our shareholders by tapping into a high-growth, high-margin consumer segment that complements our existing healthcare segment.

This disclosure is being made for the information of the Exchange and the stakeholders of the Company.

Kindly take the above information on record.

Thanking you,

Yours faithfully,

For Samsrita Labs Limited
