“RESOLVED THAT pursuant to the provisions of Sections 4, 13 and other applicable provisions, if any, of the Companies Act, 2013, (including any statutory modifications or re-enactment thereof, for the time being in force) and the rules framed thereunder, and other applicable regulations, rules and guidelines issued, if any, and subject to approval of Registrar of Companies, and any other appropriate regulatory / statutory authorities and subject to such terms, conditions, amendments or modifications as may be required or suggested by any such appropriate authority, the consent of the members of the Company be and is hereby accorded to alter Clause III (A) of the Memorandum of Association of the Company by inserting the following new Main Object Clause No. 5 after the existing Clause No. 4:

"5. To carry on the business of pet animal healthcare and wellness, including establishing, operating, managing and providing veterinary, diagnostic, preventive, curative, therapeutic, rehabilitation, grooming, nutrition, wellness and allied services for pet and companion animals; and to manufacture, formulate, develop, purchase, sell, distribute, import, export and otherwise deal in veterinary medicines, pharmaceuticals, nutraceuticals, pet foods, animal healthcare products, medical devices, grooming products, accessories and all other products and services related to pet animal healthcare, wellness and animal welfare."

RESOLVED FURTHER THAT the existing Main Object Clauses 1 to 4 shall remain unchanged.

RESOLVED FURTHER THAT the Board of Directors and Company Secretary be and are hereby severally authorized to do all such acts, deeds, matters and things as may be considered necessary, desirable or expedient to give effect to this resolution and for matters connected therewith or incidental thereto."

6. TO CONSIDER THE SCHEME OF REDUCTION OF SHARE CAPITAL OF THE COMPANY.

To consider and if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to Section 66 read with section 52 and other applicable provisions, if any, of the Companies Act, 2013 (“Act”) and the rules made thereunder including the National Company Law Tribunal (Procedure for Reduction of Share Capital of Company) Rules, 2016 (“NCLT Rules”) and any other applicable provisions of law (including any statutory amendment(s), modification(s) or re-enactment(s) thereof for the time being in force), Article 52 of the Articles of Association of the Company and subject to the confirmation by the Hon’ble National Company Law Tribunal, Hyderabad Bench (“NCLT”) and such other approvals, consents, permissions and sanctions as may be required to be obtained from appropriate Governmental authorities, departments, offices, institutions, bodies, agencies and/or third parties and subject to the terms and conditions, as may be prescribed while granting such approvals, consents, permissions and sanctions by the NCLT and/or any other appropriate Governmental authorities, departments, offices, institutions, bodies, agencies and/or third parties connected with the Reduction of Share Capital and which may be agreed to by the Board of Directors of the Company (“Board”) (which term shall be deemed to mean and include one or more committee(s) constituted/ to be constituted by the Board), the approval of the members of the Company be and is hereby accorded to the Scheme of Reduction of Share Capital (“Scheme”) of the Company by way of reduction of paid- up share capital of the Company from Rs. 22,74,97,100/- (Rupees Twenty-two crores seventy-four lakhs ninety-seven thousand one hundred only) comprising of 2,27,49,710 (Two crore twenty-seven lakh forty-nine thousand seven hundred and ten) equity shares of Rs. 10/- each to Rs. 11,37,48,550/- (Rupees Eleven crores thirty-seven lakhs forty-eight thousand five hundred fifty only) divided into 1,13,74,855 (One crore thirteen lakh seventy-four thousand eight hundred and fifty-five) equity shares of Rs. 10/- each by reducing the number of equity shares from 2,27,49,710 (Two crore twenty-seven lakh forty-nine thousand seven hundred and ten) Equity Shares to 1,13,74,855 (One crore thirteen lakh seventy-four thousand eight hundred and fifty-five) Equity Shares, along with a reduction to the Securities Premium Account of the Company from Rs. 4,55,00,000 (Rupees Four crore fifty-five lakh) to Rs. Nil, and such cumulative reduction would be effected by writing off

the Accumulated Losses of Rs. 15,92,48,550 (Rupees Fifteen crore ninety-two lakh forty-eight thousand five hundred and fifty) on the Effective Date of the draft Scheme of Reduction of capital ("Scheme").

"RESOLVED FURTHER THAT approval of the Members of the Company be and is hereby also accorded for Reduction of Share Capital of the Company by making corresponding adjustments by way of debit to the paid-up equity share capital for 1,13,74,855 (One crore thirteen lakh seventy-four thousand eight hundred and fifty-five) equity shares of Rs. 10/- each."

"RESOLVED FURTHER THAT upon confirmation of the Scheme by Hon'ble NCLT and the aforesaid authorities and becoming effective and operative, without any further act or deed by the equity shareholders (including but not limited to sending appropriate instructions to the depository participants NSDL and CDSL), the above-mentioned equity shares of the Company i.e. 1,13,74,855 (One crore thirteen lakh seventy-four thousand eight hundred and fifty-five) equity shares of Rs. 10/- on record date shall stand cancelled, extinguished and rendered invalid without any obligations and consequences of whatsoever nature to the Company."

"RESOLVED FURTHER THAT it is noted that the proposed Scheme qualifies for exemption under Regulation 37(6)(b) of the SEBI (LODR) Regulations, 2015, being a scheme providing for writing off accumulated losses against the share capital and reserves of a listed company."

"RESOLVED FURTHER THAT every shareholder of the Company, whose name appears on the Register of Members as on Record Date, shall receive 1 equity share of Rs.10/- each in lieu of every 2 equity shares of Rs.10/- held earlier in the Company, and any fraction shares will be rounded off to next higher integer and increase in the number of shares due to such rounding off the fraction shares will be forgone by Mr. Krishnam Raju Kalidindi, Promoter of the Company, thus keeping the paid-up Share Capital of the Company after reduction, intact to Rs. 11,37,48,550/- (Rupees Eleven crore thirty-seven lakh forty-eight thousand five hundred fifty only)."

"RESOLVED FURTHER THAT upon the Scheme becoming effective, in respect of shareholders holding equity shares in physical form on record date, the Company be and is hereby authorised to transfer and hold such shares in a Demat Suspense Account opened for this purpose, in accordance with the applicable provisions of law and the terms of the Scheme."

"RESOLVED FURTHER THAT the existing physical share certificates relating to such shares shall stand cancelled."

"RESOLVED FURTHER THAT subject to confirmation of the Scheme by Hon'ble NCLT and all other approvals from any other appropriate authorities, the Company shall not be required to add the words "And Reduced" to its name subsequent to such reduction of equity share capital of the Company."

"RESOLVED FURTHER THAT Board of Directors of the Company, or Company Secretary & Compliance Officer of the Company, be and are hereby severally authorised to do all such acts, deeds, matters and things; as may be considered requisite, desirable, appropriate or necessary to give effect to this resolution and effectively implement the proposed capital reduction including without limitation:

11. Recent circular requires submission of Aadhaar/PAN number by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit Aadhaar card/PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their Aadhaar card/PAN details to the Company/ Registrar and Share Transfer Agents (Venture Capital Corporate Investments Private Limited)
12. Members holding shares in the same name under different ledger folios are requested to apply for Consolidation of such folios and send the relevant share certificates to Venture Capital Corporate Investments Private Limited., Share Transfer Agents of the Company for their doing the needful.
13. Members are requested to send their queries at least 5 days before the date of meeting so that information can be made available at the meeting.

14. In respect of shares held in physical mode, all shareholders are requested to intimate changes, if any, in their registered address immediately to the registrar and share transfer agent of the Company and correspond with them directly regarding share transfer/transmission /transposition, Demat/Remat, change of address, issue of duplicate shares certificates, ECS and nomination facility.
15. In terms of Section 72 of the Companies Act, 2013, a member of the Company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may submit nomination in prescribed Form-SH-13 to the Company/RTA in case shares are held in physical form, and to their respective depository participant, if held in electronic form.
16. Members holding shares in the electronic form are requested to inform any changes in address/bank mandate directly to their respective Depository Participants.
17. The company has appointed M/s.Vivek Surana & Associates, Practicing Company Secretaries, as scrutinizer of the company to scrutinize the voting process.
18. Since securities of the Company are traded compulsorily in dematerialized form as per SEBI mandate, members holding shares in physical form are requested to get their shares dematerialized at the earliest.
19. The Members can join the e-AGM 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
20. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013, will be available for inspection at the AGM.

21. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday, 07.08.2026 at 09:00 a.m. and ends on Sunday, 09.08.2026 at 05:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, 03.08.2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- (iv) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- (v) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are

allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

ITEM NO:5: ALTERATION OF OBJECT CLAUSE OF MEMORANDUM OF ASSOCIATION OF THE COMPANY.

The Company is exploring opportunities to diversify and expand its business operations into the rapidly growing pet animal healthcare and wellness sector. The pet care industry in India has witnessed significant growth in recent years, driven by increasing pet ownership, rising awareness regarding animal healthcare, and growing demand for quality veterinary, nutrition, grooming and wellness services.

In order to enable the Company to undertake such activities and capitalize on emerging business opportunities in this sector, it is proposed to amend Clause III(A) of the Memorandum of Association of the Company by inserting a new Main Object Clause No. 5, as set out in the Special Resolution forming part of this Notice.

The proposed amendment will empower the Company to engage in the business of pet animal healthcare and wellness, including veterinary, diagnostic, preventive, curative, therapeutic, rehabilitation, grooming, nutrition and allied services, as well as manufacturing, formulating, developing, purchasing, selling, distributing, importing, exporting and otherwise dealing in veterinary medicines, pharmaceuticals, nutraceuticals, pet foods, animal healthcare products, medical devices, grooming products, accessories and other related products and services.

The proposed alteration of the Object Clause will provide greater operational flexibility to the Company, facilitate diversification into a promising business segment and enable the Company to pursue growth opportunities in the pet healthcare and animal welfare industry.

Pursuant to the provisions of Sections 4 and 13 of the Companies Act, 2013 and the rules made thereunder, alteration of the Object Clause of the Memorandum of Association requires the approval of the Members by way of a Special Resolution.

A copy of the existing Memorandum of Association together with the proposed amendments is available for inspection by the Members during business hours at the Registered Office of the Company and shall also be made available electronically for inspection by the Members.

The Board of Directors recommends the Special Resolution set out at Item No. 5 of the Notice for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the proposed resolution except to the extent of their shareholding, if any, in the Company.

ITEM NO.6: TO CONSIDER THE SCHEME OF REDUCTION OF SHARE CAPITAL OF THE COMPANY.

The proposed reduction of the equity share capital of Company is being undertaken in accordance with the provisions of Sections 52 and 66 read with other applicable provisions, if any, of the Companies Act, 2013 ("Act") and the rules made there under and specifically the National Company Law Tribunal (Procedure for Reduction of Share Capital of Company) Rules, 2016 ("NCLT Rules"), which permit a company to undertake a reduction of its share capital in any manner and pursuant to Article 52 of Articles of Association of the Company, read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as amended from time to time, BSE and Metropolitan Stock Exchange of India Limited, subject to confirmation by the Hon'ble National Company Law Tribunal, Hyderabad Bench ("NCLT").

Background:

The Company was originally incorporated on 25.01.1996 under the Companies Act, 1956. The Corporate Identification Number (CIN) of the Company is L85110TG1996PLC099198. The registered office of the Company is at 6-3-354/13/B2, Flat. No. B2, Suryateja Apartments Hindi Nagar, Punjagutta, Hyderabad – 500082, Telangana. The Equity shares of Company are listed on BSE Limited (BSE) and Metropolitan Stock Exchanges of India Limited (MSEI).

The proposed Reduction of Equity Share Capital of the Company will not have any adverse effect on the Creditors of the Company or the Company's ability to fulfill its commitments or meet its obligations in the ordinary course of business as there is no pay-out resulting from the proposed Capital Reduction.

The Capital Reduction in the manner proposed would be beneficial to all the Shareholders of the Company as the same shall ensure that the total paid of equity share capital of the Company post reduction of capital of the Company will represent the actual available capital of the Company.

1. The capital structure of the Company pre- and post-scheme is reflected in the table below:

Pre-Reduction			Post-Reduction		
Particulars	No of shares	Amount (Rs.)	Particulars	No of shares	Amount (Rs.)
Authorised Share Capital					
Equity shares of face value Rs 10 each	2,50,00,000	25,00,00,000	Equity shares of face value Rs 10 each	2,50,00,000	25,00,00,000
Issued, subscribed and paid-up share capital					
Equity shares of face value Rs 10/- each	2,27,49,710	22,74,97,100	Equity shares of face value Rs 10/- each	1,13,74,855	11,37,48,550

The below table reflects the pre- and post-reduction of Securities Premium Account and accumulated losses as a result of reduction of capital:

Particulars	Pre-reduction (Rs.)	Proposed reduction (Rs.)	Post-reduction (Rs.)
Securities Premium Account	4,55,00,000	4,55,00,000	Nil
Profit and Loss (Dr) i.e. Accumulated Losses	16,12,66,108	15,92,48,550	20,17,558

Further, financial statements for the Financial Year ended 31st March, 2026 reflect accumulated losses (i.e., debit balance of profit and loss account) of Rs. 16,12,66,108 (Rupees Sixteen crore twelve lakh sixty-six thousand one hundred and eight). Such accumulated losses have substantially wiped off the value represented by the share capital.

Considering the future prospects of growth and value addition to the Company and its Shareholders, it is proposed to re-align the relationship between its capital and assets in accordance with Section 52 and Section 66 of the Companies Act, 2013 read with the National Company Law Tribunal (Procedure for reduction of share capital of Company) Rules, 2016 and other applicable provisions of the Companies Act, 2013 (to the extent applicable), by writing-off the accumulated losses of Rs. 15,92,48,550 (Rupees Fifteen crore ninety-two lakh forty-eight thousand five hundred and fifty) reflecting in the Audited financial statements of the Company as on March 31, 2026 against the paid-up share capital and Securities Premium Account balance of the Company, to have a rational structure which is commensurate with its remaining business and assets.

It is proposed to effect the reduction of share capital by reducing the number of equity shares from 2,27,49,710 (Two crore twenty-seven lakh forty-nine thousand seven hundred and ten) Equity Shares to 1,13,74,855 (One crore thirteen lakh seventy-four thousand eight hundred and fifty-five) Equity Shares. Further, it is also proposed that the Securities Premium Account of the Company be reduced from Rs. 4,55,00,000 (Rupees Four crore fifty-five lakh) to Rs. Nil.

To effect such reduction in Issued, Subscribed and Paid-Up Equity Share Capital the shareholders of the Company on the record date will get 1 (One) equity share of Rs.10/- (Rupees Ten Only) each fully paid-up against 2 (Two) equity share of Rs.10/- (Rupees Ten Only) each fully paid up.

The fractional entitlements, if any, shall be rounded off to one share and the same would be allotted to the respective shareholders. Simultaneously, the increase in the number of shares due to rounding off will be forgone by Mr. Krishnam Raju Kalidindi, Promoter of the Company thus keeping the paid-up Share Capital intact to Rs. 11,37,48,550/- (Rupees Eleven crore thirty-seven lakh forty-eight thousand five hundred fifty only).

2. Rationale and Purpose of the Scheme:

- a) Accumulated Losses have substantially wiped off the value represented by the Share Capital. This has given to the need for readjustment of share capital account in its books of accounts.
- b) In order to re-align the relation between capital and assets; and to accurately and fairly reflect the assets and liabilities of the Company in its books of accounts; and for better presentation of the financial position of the Company, the Board of Directors has decided to write off the Accumulated Losses against Share Capital Account and Securities premium account in accordance with the provisions of Sections 66 and 52 of the Companies Act, 2013, and National Company Law Tribunal (Procedure for reduction of share capital of Company) Rules, 2016 and other applicable provisions.
- c) By virtue of article 52 of Articles of Association of the Company, the Company is authorized to reduce its share capital in any manner and in accordance with the provisions of the Act.
- d) After evaluating various options, the Board of Directors at their meeting held on 04.07.2026 had decided to reduce the paid-up capital of the Company. In this regard the Board has decided to reduce the 50% of paid-up share capital of the Company by cancelling and extinguishing 50% of the paid-up value of the shares. Furthermore, the reduction of capital would not in any way have any adverse effect on the Company's ability to honour its commitments or meet its obligations in the ordinary course of business.
- e) In the above context, the Company proposes to write off Accumulated Losses of Rs. 15,92,48,550/- (Rupees Fifteen crores Ninety Two lakhs forty-eight thousand five hundred fifty only) reflecting in the audited standalone financial statements of the Company as on March 31, 2026 with the balance appearing in Share Capital Account and Securities Premium account under the provisions of Sections 66 and 52 of the Companies Act, 2013 would accordingly be applicable in respect of such reduction.
- f) The reduction envisaged under this Scheme would not in any way have any adverse effect on the Company's ability to honour its commitments or meet its obligations in the ordinary course of business and that the reduction of share capital shall not cause any shareholder to hold in fraction shares, if any caused by the reduction of share capital and subsequent consolidation, the same shall be rounded off to one share and the same would be allotted to the respective shareholders. Simultaneously, the increase in the number of shares due to rounding off will be forgone by Mr. Krishnam Raju Kalidindi, Promoter of the Company thus keeping the paid-up Share Capital intact to Rs. 11,37,48,550/- (Rupees Eleven crore thirty-seven lakh forty-eight thousand five hundred fifty only).
- g) Hence, the Board of Directors believe that in order to present a fair position of the affairs of the Company, the most practically and economically efficient option available to the Company would be to utilize the balance lying in the Share Capital and Securities premium account to the extent of writing of the Accumulated Losses of the Company, subject to the confirmations / sanctions of the requisite majority of the Shareholders of the Company and the Hon'ble NCLT and such other appropriate authority, as may be applicable.

3. Effective Date and Operative Date:

This reduction of capital shall be effective from the Effective Date i.e. the date on which certified copies of the order of the respective Hon'ble NCLT under Section 66 read with Section 52 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and rules framed there under, if any, are filed with the Office of the Registrar of Companies, Ministry of Corporate Affairs.

4. Effects of the Scheme:**a) As on the effective date,**

- the Issued, Subscribed and Paid -up capital of the Company shall stand reduced from Rs. 22,74,97,100/- (Rupees Twenty-two crores seventy-four lakhs ninety-seven thousand one hundred only) divided into 2,27,49,710 (Two crores twenty-seven lakhs forty-nine thousand seven hundred and ten only) equity shares of Rs. 10/- (Rupees Ten only) each to Rs. 11,37,48,550 /- (Rupees Eleven crores thirty-seven lakhs forty-eight thousand five hundred fifty only) divided into 1,13,74,855 (One crore thirteen lakhs seventy-four thousand eight hundred and fifty-five only) equity shares of Rs. 10/- (Rupees Ten only) each. Further the balance standing in Securities Premium account of Rs. 4,55,00,000 shall stand reduced to Rs. Nil.
- The reduction shall be effected by cancelling and extinguishing 1,13,74,855 (One crore thirteen lakhs seventy-four thousand eight hundred fifty-five only) equity shares of Rs. 10/- (Rupees ten only) each held by the equity shareholders of the Company on a proportionate basis, without payment of any consideration.

The amount arising from such reduction of paid-up share capital aggregating to Rs. 11,37,48,550/- (Rupees Eleven Crores Thirty-Seven Lakhs Forty-Eight Thousand Five Hundred and Fifty Only) together with the balance of Rs. 4,55,00,000/- (Rupees Four Crores Fifty-Five Lakhs Only) standing in the Securities Premium Account shall be utilised to write off the accumulated losses of the Company aggregating to Rs. 15,92,48,550/- (Rupees Fifteen Crores Ninety-Two Lakhs Forty-Eight Thousand Five Hundred and Fifty Only), thereby presenting a true and fair view of the financial position of the Company, on the terms and conditions set out in the Scheme.

- b) Further, Post Reduction, the paid-up equity share capital of the Company shall be Rs. 11,37,48,550/- (Rupees Eleven crores thirty-seven lakhs forty-eight thousand five hundred fifty only) divided into 1,13,74,855 (One crore thirteen lakhs seventy-four thousand eight hundred and fifty-five only) equity shares of Rs. 10/- (Rupees Ten only).
- c) The Scheme is only for reduction of Share Capital of the Company and it does not envisage transfer or vesting of any properties and /or liabilities to or in favor of the Company.
- d) The proposed reduction of Paid-up Share Capital of the Company by way of writing off the Accumulated losses against the amount lying in the Share Capital Account and Securities Premium Account of the company will be beneficial to the Company, its creditors, Shareholders and all the concerned stakeholders. Such reduction will not cause any prejudice to the creditors of the Company. The reduction of Share Capital Account and Securities Premium Account would not in any way adversely affect the ordinary operations of the Company or the ability of the Company to honor its commitments or pay its debts in the ordinary course of the business.

5. Objects/Benefits arising out of the scheme:

- a) Under this Scheme, if approved, the books of the Company would better represent its financial position which would help the Company position itself better in the market and undertake business activities efficiently. This would be value accretive to the Shareholders as well, as their holdings would yield better results.
- b) The adjustment / set off of the balance in Share Capital Account and Securities premium account would not have any impact on the shareholding pattern.
- c) The reduction of Share Capital Account and Securities Premium account in the manner proposed would enable the Company to have a rational structure which is commensurate with its business and assets.
- d) The Scheme of reduction, after full implementation, will result in making the Company's balance sheet leaner and downsized.
- e) The proposed Scheme would be for the overall benefit of the Company, its creditors, its Shareholders and all other stakeholders.
- f) The Scheme, if approved, would provide greater flexibility to the Company in raising funds either from the capital market or from any bank/ financial institutions in the form of equity or debt, depending on the business needs of the Company.
- g) The consent of the Shareholders of the Company to this Scheme of reduction of Share Capital of the Company shall be taken through a resolution under the provisions of Sections 52 and 66 of the Companies Act, 2013 and National Company Law Tribunal (Procedure for reduction of share capital of Company) Rules, 2016 and other applicable provisions of the Companies Act, 2013 (to the extent applicable). The Scheme is merely a reduction in the Share Capital of the Company and Securities Premium Account prepared in terms of Sections 52 and 66 of the Companies Act, 2013 and National Company Law Tribunal (Procedure for reduction of share capital of Company) Rules, 2016 and other applicable provisions of the Companies Act, 2013 (to the extent applicable) and does not envisage transfer, conveyance or vesting of any of the properties and / or liabilities of the Company to any person or entity. Consequently, the Orders of Hon'ble NCLT approving the scheme would not attract any stamp duty in this regard under the applicable provisions of the Indian Stamp Act, 1899.

6. Accounting Treatment:

The Company shall pass appropriate entries as per the applicable accounting policies and accounting standards (specified in section 133 or any other provision of the Act) as regards accounting for the reduction of writing off the Accumulated Losses.

The adjustment / reduction, in the Share capital account and Securities Premium Account of the Company shall be effected as an integral part of the Scheme in accordance with the provisions of Sections 52 and 66 and other applicable provisions of the Act and the order of the National Company Law Tribunal sanctioning the Scheme shall be deemed to be also the order under Sections 52 and 66 of the Act for the purpose of confirming the reduction and no further act, deed, or thing as required under the provisions of the Act would be required. The reduction would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.

7. Designated Stock Exchange: The designated stock exchange shall be BSE Limited.

8. Others:

Notwithstanding the reduction as mentioned above, the Company will be praying before the Hon'ble NCLT that the Company be exempted to add "And Reduced" as a suffix to its name and the Company shall continue in its existing name since no pay out is being made to any existing Members and the Company will be able to discharge its liability in the due course of business.

The Special Resolution, if approved by the Members of the Company with requisite majority, will be subject to the confirmation by Hon'ble NCLT as per Section 66(3) of the Companies Act, 2013 read with the NCLT Rules.

A copy of the Scheme along with the documents submitted to BSE and Metropolitan Stock Exchange of India Limited. The same has been uploaded on the website of the Company at www.drhlsl.com

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW

Samsrita Labs Limited is embarking on a pivotal strategic diversification, expanding beyond its traditional human healthcare services. In alignment with the proposed amendment to the Company's Objects Clause, this deliberate pivot allows the Company to venture into high-growth sectors. Concurrently, our core operations remain deeply anchored in India's pharmaceutical and biotechnology landscape, which provides a resilient foundation for multi-sector scale.

A. Entry into the Pet Animal Care & Wellness Sector

The expansion into Pet Animal Care & Wellness reflects the Company's recognition of a rapidly growing, tech-driven global and domestic ecosystem. Driven by rising pet ownership, higher discretionary spending, and an increasing focus on specialized animal health, this sector presents a high-margin opportunity for innovation.

Samsrita Labs Limited intends to leverage its existing healthcare expertise to develop or associate with existing entities in these sectors for advanced solutions across:

- **AI-Driven Home Diagnostics & Telehealth:** Utilizing advanced diagnostic and vision models to generate precision triage reports, streamlining online veterinary consultations.
- **Predictive Health Telemetry:** Integrating smart wearables and IoT sensors to monitor vital signs and flag early indicators of chronic or cardiac ailments.
- **Precision Nutrition & Wellness:** Utilizing life-stage metadata and breed specificities to formulate hyper-personalized, vet-approved preventive nutrition and nutraceuticals.
- **Pet Essentials & Ecosystem Supply:** Establishing channels to supply premium pet essentials, therapeutic supplements, and core accessories.

To establish an immediate, defensible foothold in this emerging market, the Company is actively evaluating strategic acquisitions of established businesses across veterinary clinics, pet nutrition brands, and digital healthcare platforms.

B. Synergy with Associate Companies

- **Krisani Bio Sciences Private Limited:** The Company's associate continues its core research in new drug discovery. Armed with granted patents, ongoing efforts are focused on further developing and commercializing these assets through sales, out-licensing, or co-development opportunities.
- **QROPS Advisory Services Private Limited (QROPS):** During the year under review, Samsrita Labs Limited acquired a 28.62% stake in Hyderabad-based QROPS via a share swap model, allotting 20% of Samsrita Labs Limited's equity shares to make QROPS an Associate Company. QROPS specializes in financial consulting, capital structuring, and corporate transformation for Micro, Small, and Medium Enterprises (MSMEs). The extensive experience of the QROPS management team will serve as a powerful synergistic asset, enhancing our capabilities to identify, structure, and acquire high-potential target businesses in our newly identified focus areas—including Pet Care, Deep Tech, and Green Tech.

INDUSTRY STRUCTURE AND DEVELOPMENTS

A. Indian Pharmaceutical Industry

The Indian pharmaceutical industry in 2026 is valued at approximately USD 60 billion and is projected to reach USD 130 billion by 2030. While India maintains its global dominance by supplying approximately 20% of global generics and 65–70% of WHO vaccine requirements, the sector is experiencing an aggressive, policy-driven pivot toward R&D-led innovation. Backed by crucial regulatory frameworks—including the Biopharma SHAKTI initiative, GST 2.0, and the revised Schedule M compliance mandates—the industry is building robust capabilities in high-value segments like biosimilars, biologics, cell and gene therapies, peptides, and precision medicine.

B. Pet Care & Wellness Industry: Potential & Outlook (2026–27)

The pet care and companion animal wellness sector in India has emerged as one of the fastest-growing consumer and healthcare markets globally. Transitioning rapidly from a fragmented market into an organized, premiumized, and tech-integrated ecosystem, the domestic market is characterized by structural shifts in urban household consumption patterns.

- **Market Valuation & Velocity:** Entering the 2026–27 financial period, the broader Indian pet care market is estimated at over USD 2.5 billion (approx. ₹21,000 Crores), continuing to scale at a strong Compound Annual Growth Rate (CAGR) of approximately 7% to 8%. The commercial pet foods segment forms the historical anchor of the market, but veterinary medical care, diagnostic telemetry, and specialized wellness solutions represent the highest-margin growth corridors.
- **Corporate and Capital Influx:** The structural viability of the Indian pet ecosystem is further validated by the aggressive entry of domestic FMCG giants and heavy capital commitments from global conglomerates. Strategic industry investments—including dedicated agri-food processing expansions, multi-million dollar institutional funding rounds, and localized manufacturing centers—highlight the industry's transition into a high-priority, institutionalized corporate asset class.
- **Key Industry Catalysts for 2026–27:**
 1. **Therapeutic Premiumization:** Urban pet owners are increasingly substituting basic treatments with premium, specialized healthcare regimens. Demand is scaling rapidly for targeted nutraceuticals, breed-specific preventive care, and veterinary therapeutic diets, accessories, essentials etc.
 2. **Digital Channels & E-Commerce Proliferation:** While traditional brick-and-mortar veterinary networks remain vital, D2C platforms and dedicated online pet consultations are growing at a rapid pace. Smartphone ubiquity and mature digital payment infrastructures continue to drive the scalability of e-pharmacies, dynamic subscription models, and telehealth services.
 3. **Veterinary FinTech Integration:** The emerging introduction of structural pet insurance products—reimbursing clinical costs and prescription expenses—is expanding the addressable market size, enabling consumers to opt for sophisticated diagnostics and long-term wellness therapies.

OPPORTUNITIES AND THREATS

OPPORTUNITIES

The healthcare landscape is rapidly shifting from a one-size-fits-all model toward personalized and precision medicine. Advances in genomics and companion diagnostics offer an unprecedented opportunity to develop targeted therapies with superior efficacy and minimal side effects. By focusing on holistic, lifelong animal wellness, we aim to establish our business as a trusted partner for pet parents, driving multi-year customer retention and higher average transaction values." Major opportunity to scale our offerings in veterinary care, diagnostic tools, and pet insurance products. Evolving consumer preferences are driving strong demand for environmentally sustainable and ethically manufactured pet products. We are planning to converting this trend into a competitive advantage by investing in eco-friendly packaging, reducing our carbon footprint across the supply chain, and sourcing sustainable ingredient.

THREATS:

The pharmaceutical industry remains subject to stringent, evolving regulatory frameworks governed by global health authorities. Failure to comply with standard regulatory requirements could lead to significant financial penalties, product recalls, or operational disruptions, directly impacting our market competitiveness. The regulatory landscape governing animal health, pet food safety, and product labelling is becoming increasingly stringent. Stricter oversight by food safety and veterinary authorities elevates compliance costs and raises the operational bar for manufacturing. Any potential product quality failure, contamination incident, or subsequent product recall could cause immediate financial losses, attract regulatory penalties, and cause severe, long-term damage to our brand reputation and consumer trust."

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE: Not Applicable

Outlook

By embedding multi-disciplinary capabilities across Human Healthcare and the Pet Care ecosystem into our core portfolio, Samsrita Labs Limited is having an opportunity to position into unlock multiple high-margin revenue streams. This cross-industry synergy will accelerate proprietary technological innovation, mitigate sector-specific cyclical risks, and establish a defensible, long-term competitive moat in both domestic and international markets.

RISKS AND CONCERNS:

Risk Management Framework

While the diversified business model presents significant opportunities, Samsrita Labs Limited acknowledges and actively manages inherent risks:

Regulatory and Compliance Risks: The Company operates in highly regulated environments, particularly in pharmaceuticals. Adapting to these changes necessitates continuous operational adjustments, substantial capital expenditure, and comprehensive employee training. Failure to fully adhere to these updated mandates could lead to severe regulatory penalties, product license suspensions, operational disruptions, and long-term reputational damage.

R&D Risks: Research and development, especially in new drug discovery and deep technologies, inherently carries the risk of failure or significant delays. Long gestation periods, high investment requirements, and the uncertain nature of innovation can impact financial performance and return on investment.

Human Capital Risk: Attracting, retaining, and developing specialized talent in niche areas like new drug discovery, AI, Blockchain, and advanced green technologies is crucial and presents a significant challenge. A shortage of skilled professionals could impede project execution and growth.

Strategic Co-development and Acquisition Risks: Entering strategic co-development arrangements or acquiring controlling stakes in new ventures carries risks related to integration challenges, cultural misalignment, unexpected liabilities, and the successful realization of synergies. Due diligence and careful integration planning are critical.

Market Volatility and Competition: Both the pharmaceutical and the new deep tech/green tech sectors are highly competitive and subject to rapid technological advancements and market shifts. Intense competition, pricing pressures, and evolving consumer preferences could impact market share and profitability.

Economic and Geopolitical Landscape: Global and national economic downturns, geopolitical instability, trade policies, and currency fluctuations can impact supply chains, market demand, and overall business operations.

Cybersecurity Risks: As the company ventures into deep technologies and relies more on digital infrastructure, the risk of cyber threats, data breaches, and intellectual property theft increases. Robust cybersecurity measures are essential.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Samsrita Labs Limited strongly believes that a robust internal control mechanism is a prerequisite to ensure that an organization functions ethically, complies with all legal and regulatory requirements and observes the generally accepted principles of good corporate governance. To enable this, the Company has established a strong internal control system for the Company, which is comprised of policies, guidelines and procedures to ensure the orderly and efficient financial and business conduct.

Samsrita Labs Limited has adopted strong internal control systems backed by constant reviews and up-gradation. Internal Audit, Statutory Audit by external agencies and the Audit Committee, look into the internal control aspects and further advice on the corrective measures as and when required.

CORPORATE GOVERNANCE REPORT

In accordance with Regulation 34 (3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the report containing the details of Corporate Governance systems and processes at Samsrita Labs Limited as follows:

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

In addition to the requirements of the Companies Act, 2013 ("the Act") and the Rules framed there under, which are mandatory for every such company to comply with, the Securities and Exchange Board of India ("SEBI") has introduced a Code of Corporate Governance for a Listed Company, which is implemented through the Listing Regulations.

The Company sincerely believe that corporate governance is a collection of procedures and practices designed to make sure that a company's operations are managed in a way that guarantees responsibility, openness, and justice in all of its dealings in the broadest sense and satisfies the expectations and goals of the stakeholders and the general public. The system of policies and procedures known as "corporate governance" is what the company uses to guarantee moral behaviour that aligns with the interests of all of its stakeholders. Professionals in corporate governance must continuously improve their knowledge, skills, and talents in order to adjust systems and procedures that support the most ethical and successful management of the company and its resources.

In the Company the Board of Directors, Senior Management, Employees, and other members of the organization are all given different roles and levels of responsibility within the company's corporate governance structure. In order to live up to the expectations of shareholders, the company considers good corporate governance to be an ongoing process and works to enhance its procedures.

A. BOARD DIVERSITY:

With a view to achieving a sustainable and balanced development, the Company is looking forward to increase diversity at the Board level as an essential element in supporting the attainment of its strategic objectives and its sustainable development. In designing the Board's composition, Board diversity has been considered from a number of aspects, including but not limited to gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service. The Board has adopted the Board Diversity Policy which sets out the approach to diversity of the Board of Directors. CERTIFICATE ON CORPORATE GOVERNANCE**TO THE MEMBERS OF****SAMSRITA LABS LIMITED**

We have examined the compliance of the conditions of Corporate Governance by Samsrita Labs Limited ('the Company') for the year ended on March 31, 2026, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para-C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2026.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT**To the Members of SAMS RITA LABS LIMITED****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of SAMS RITA LABS LIMITED ("the Company"), which comprise the balance sheet as at March 31, 2026, and the statement of Profit and Loss, statement of changes in equity and statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter**We draw attention to :**

- 1) Note No. 3 to the financial statements relating to the acquisition of an intangible asset during the year and the write-off of the existing intangible asset on account of technological obsolescence.
- 2) Note No. 5 to the financial statements relating to the security deposit balance, which has been fully settled during the year towards the acquisition of a new patent.
- 3) Note No. 7 to the financial statements relating to trade receivables, wherein the substantial reduction from the previous year is primarily attributable to write-off of bad debts during the year.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no matters qualifying as key audit matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity, and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. No Interim dividend has been declared by the company during the year or the previous year so the provisions of section 123 of the Companies Act, 2013 are not applicable to the company.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is applicable for the financial year ended March 31, 2026. The company has maintained an audit trail.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SAMS RITA LABS LIMITED**Auditor's Responsibilities for the Audit of the Financial Statements**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned Scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the provisions of Companies Act, 2013 provisions of Corporate Social Responsibility (CSR) are not applicable to the company. Accordingly, reporting under clause (xx) (a) and (b) of the order is not applicable for the year.

ANNEXURE C**TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SAMS RITA LABS LIMITED**

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of SAMS RITA LABS LIMITED ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 .

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Significant Accounting Policies & Notes annexed to and forming part of the Financial Statements**1.1. Basis for preparation of financial statements:****a) Compliance with Indian Accounting Standards (Ind AS)**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013.

The same accounting policies have been applied for all the periods presented except when the company has made use of certain exceptions.

The financial statements have been prepared on the historical cost basis except for certain instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Act. The Company has determined its operating cycle as twelve months for the purpose of current-noncurrent classification of assets and liabilities.

The financial statements are presented in Indian Rupees which is also its functional currency. All amounts have been rounded – off to the nearest thousands, unless otherwise indicated.

b) Use of estimates and judgment

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of certain assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

1.2. Property, Plant and Equipment & Depreciation

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the companies' act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

1.3 Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

1.4 Intangible assets

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

1.5 Inventory

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Stores and consumables are valued at cost arrived at on FIFO basis or net realisable value, whichever is lower.

1.6 Foreign currencies transactions and translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

1.7 Provisions

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (other than employee benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.8 Revenue Recognition

The Company primarily earns revenue by providing Health care services.

Revenue is recognized when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met as described below.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of indirect taxes, trade allowances, rebates and amounts collected on behalf of third parties and is not recognized in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognized on reasonable certainty of collection.

Interest Income

Interest income from a financial asset is recognized using effective interest rate method. However, in respect of certain financial assets where it is not probable that the economic benefits associated with the transaction will flow to the entity and amount of revenue cannot be measured reliably, in such cases interest income is not recognized.

1.9 Dividend Income

Dividends will be recognized when the company's right to receive has been established.

1.10 Employee benefits

1.10.1 Short term employee benefits

The undiscounted amount of short-term employee benefits is expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

1.10.2 Defined benefit plans

a) Gratuity

In accordance with the Payment of Gratuity Act, 1972, Company provides for gratuity, a defined retirement plan (the "Gratuity Plan") covering the eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. Liability with regard to the Gratuity Plan are determined by actuarial valuation as per the requirements of IndAS 19 as of the balance sheet date, based upon which, the Company contributes the ascertained liabilities to Insurer.

b) Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon is paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Regional Provident Fund Commissioner equal to a specified percentage of the covered employee's salary.

c) Employee State Insurance Fund

Eligible employees are entitled to receive benefit under employee state insurance fund scheme. The employer makes contribution to the scheme at a predetermined rate of employee's gross salary. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

d) Leave encashment

All the employees who have completed their eligible service in the Company are eligible for leave encashment as per policy of the Company and the same is paid to the eligible employee at retirement, death, incapacitation or termination of employment. This amount, as calculated for all the eligible employees, is charged to the Statement of Profit and Loss.

1.11 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are off set only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum alternate tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

1.12 Leases

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

As per Ind AS 116, Variable lease payments that do not depend on an index or rate and are not in substance or fixed, such as those based on performance (i.e. percentage of sales) are not included as lease payments and these payments are recognized in the statement of profit or loss in the period in which the event that triggers the payment occurrence.

Hence, the company did not recognize any ROU as the lease agreement does not contain fixed Minimum Lease payments.

1.13 Borrowing costs

Borrowing costs incurred for obtaining assets which takes substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other cases by applying weighted average cost of borrowings to the expenditure on such assets. Other borrowing costs are treated as expense for the year.

Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method.

1.14 Earnings per equity share**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- The profit attributable to owner of the company.
- By the weighted number of equity shares outstanding during the financial year

(ii) Diluted earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Financial Instruments**i. Financial assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through profit or loss (FVTPL)

A Financial asset that is not classified as AC or FVOCI are measured at FVTPL e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

B. Investments in subsidiaries

In respect of equity investments, the entity prepares separate financial statements and accounts for its investments in subsidiaries at cost, net of impairment if any.

ii. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

INDEPENDENT AUDITOR'S REPORT**To the Members of SAMS RITA LABS LIMITED****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying consolidated financial statements of SAMS RITA LABS LIMITED (hereinafter referred to as the "Holding Company") and its Associate (Holding Company and its Associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, and the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditors on separate financial statements and on the other financial information of associate the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group, as at March 31, 2026, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter**We draw attention to :**

- 1) Note No. 3 to the financial statements relating to the acquisition of an intangible asset during the year and the write-off of the existing intangible asset on account of technological obsolescence.
- 2) Note No. 5 to the financial statements relating to the security deposit balance, which has been fully settled during the year towards the acquisition of a new patent.
- 3) Note No. 7 to the financial statements relating to trade receivables, wherein the substantial reduction from the previous year is primarily attributable to write-off of bad debts during the year.

Our opinion is not modified in respect of this matter.

Other Matters

We did not audit the financial statements of Krisani Bio Sciences Private Limited ("associate"), whose financial statements reflect total assets (before consolidation adjustment) of Rs.17,04,81,916 as of March 31, 2026, total revenues (before consolidation adjustment) are Nil and Cash and cash equivalents (before consolidation adjustment) amounting to Rs.37,293 for the year ended on that date, as considered in the consolidated financial statements. The Consolidated financial statements also include the Group's share of net loss of Rs.1,08,909 for the year ended March 31, 2026, And the financial statements of Qrops Advisory Services Private Limited ("associate"), whose financial statements reflect total assets (before consolidation adjustment) of Rs.8,80,47,874 as of March 31, 2026, total revenues (before consolidation adjustment) are Rs.9,67,95,323 and Cash and cash equivalents (before consolidation adjustment) amounting to Rs.24,21,541 for the year ended on that date, as considered in the consolidated financial statements. The Consolidated financial statements also include the Group's share of net loss of Rs.1,08,909 for the year ended March 31, 2026 as considered in the consolidated financial statements, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures

included in respect of this associate and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the reports of the other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We haven't identified any matter qualifying as key audit matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Director's report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in “Annexure A” a detailed description of Auditor’s responsibilities for Audit of the Consolidated Financial Statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SAMS RITA LABS LIMITED**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements.
- We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SAMSrita LABS LIMITED

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements in the Independent Auditors' Report of even date to the Members of SAMSrita LABS LIMITED on the Consolidated Financial Statements for the year ended March 31, 2026.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of SAMSrita LABS LIMITED (hereinafter referred to as "the Holding Company") and its associate company which is incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its associate company which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding company, its associate company, which is incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding company, its associate company which is incorporated in India.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the

company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company, its associate company incorporated in India, have, in all material respects, internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to associate company which is incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India.

1. Significant Accounting Policies & Notes annexed to and forming part of the Consolidated Financial Statements

1.1. Basis for preparation of Consolidated financial statements:

a) Compliance with Indian Accounting Standards (Ind AS)

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013.

The same accounting policies have been applied for all the periods presented except when the company has made use of certain exceptions.

The financial statements have been prepared on the historical cost basis except for certain instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Act. The Company has determined its operating cycle as twelve months for the purpose of current-noncurrent classification of assets and liabilities.

The financial statements are presented in Indian Rupees which is also its functional currency. All amounts have been rounded – off to the nearest thousands, unless otherwise indicated.

b) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and share of profit or loss of its Associate as at 31 March 2026.

If an entity holds, directly or indirectly (eg through subsidiaries), 20 per cent or more of the voting power of the investee, it is presumed that the entity has significant influence, unless it can be clearly demonstrated that this is not the case. Conversely, if the entity holds, directly or indirectly (eg through subsidiaries), less than 20 per cent of the voting power of the investee, it is presumed that the entity does not have significant influence, unless such influence can be clearly demonstrated. A substantial or majority ownership by another investor does not necessarily preclude an entity from having significant influence.

Specifically, the Group controls an investee if and only if the Group has:

- representation on the board of directors or equivalent governing body of the investee;
- participation in policy-making processes, including participation in decisions about dividends or other distributions;
- material transactions between the entity and its investee;
- interchange of managerial personnel; or
- provision of essential technical information.

Consolidation of a Association begins when the Group obtains control over the associate and ceases when the Group loses control of the Associate.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March 2026.

Consolidation procedure

Under the equity method, on initial recognition the investment in an associate or a joint venture is recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the date of acquisition. The investor's share of the investee's profit or loss is recognized in the investor's profit or loss. Distributions received from an investee reduce the carrying amount of the investment. Adjustments to the carrying amount may also be necessary for changes in the investor's proportionate interest in the investee arising from changes in the investee's other comprehensive income. Such changes include those arising from the revaluation of property, plant and equipment and from foreign exchange translation differences. The investor's share of those changes is recognized in the investor's other comprehensive income (see Ind AS 1, Presentation of Financial Statements).

The recognition of income on the basis of distributions received may not be an adequate measure of the income earned by an investor on an investment in an associate or a joint venture because the distributions received may bear little relation to the performance of the associate or joint venture. Because the investor has joint control of, or significant influence over, the investee, the investor has an interest in the associate's or joint venture's performance and, as a result, the return on its investment. The investor accounts for this interest by extending the scope of its financial statements to include its share of the profit or loss of such an investee. As a result, application of the equity method provides more informative reporting of the investor's net assets and profit or loss.

b) Use of estimates and judgment

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of certain assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

1.2. Property, Plant and Equipment & Depreciation

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the companies' act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

1.3 Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

1.4 Intangible assets

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

1.5 Inventory

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Stores and consumables are valued at cost arrived at on FIFO basis or net realizable value, whichever is lower.

1.6 Foreign currencies transactions and translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

1.7 Provisions

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (other than employee benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.8 Revenue Recognition

The Company primarily earns revenue by providing Health care services.

Revenue is recognized when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met as described below.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of indirect taxes, trade allowances, rebates and amounts collected on behalf of third parties and is not recognized in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognized on reasonable certainty of collection.

Interest Income

Interest income from a financial asset is recognized using effective interest rate method. However, in respect of certain financial assets where it is not probable that the economic benefits associated with the transaction will flow to the entity and amount of revenue cannot be measured reliably, in such cases interest income is not recognized.

1.9 Dividend Income

Dividends will be recognized when the company's right to receive has been established.

1.10 Employee benefits

1.10.1 Short term employee benefits

The undiscounted amount of short-term employee benefits is expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

1.10.2 Defined benefit plans

a) Gratuity

In accordance with the Payment of Gratuity Act, 1972, Company provides for gratuity, a defined retirement plan (the "Gratuity Plan") covering the eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. Liability with regard to the Gratuity Plan are determined by actuarial valuation as per the requirements of IndAS 19 as of the balance sheet date, based upon which, the Company contributes the ascertained liabilities to Insurer.

b) Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon is paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Regional Provident Fund Commissioner equal to a specified percentage of the covered employee's salary.

c) Employee State Insurance Fund

Eligible employees are entitled to receive benefit under employee state insurance fund scheme. The employer makes contribution to the scheme at a predetermined rate of employee's gross salary. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

d) Leave encashment

All the employees who have completed their eligible service in the Company are eligible for leave encashment as per policy of the Company and the same is paid to the eligible employee at retirement, death, incapacitation or termination of employment. This amount, as calculated for all the eligible employees, is charged to the Statement of Profit and Loss.

1.11 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are off set only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum alternate tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

1.12 Leases

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

As per Ind AS 116, Variable lease payments that do not depend on an index or rate and are not in substance or fixed, such as those based on performance (i.e. percentage of sales) are not included as lease payments and these payments are recognized in the statement of profit or loss in the period in which the event that triggers the payment occurrence.

Hence, the company did not recognize any ROU as the lease agreement does not contain fixed Minimum Lease payments.

1.13 Borrowing costs

Borrowing costs incurred for obtaining assets which takes substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other cases by applying weighted average cost of borrowings to the expenditure on such assets. Other borrowing costs are treated as expense for the year.

Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method.

1.14 Earnings per equity share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owner of the company.
- By the weighted number of equity shares outstanding during the financial year

(ii) Diluted earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Financial Instruments

i. Financial assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through profit or loss (FVTPL)

A Financial asset that is not classified as AC or FVOCI are measured at FVTPL e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

B. Investments in subsidiaries

In respect of equity investments, the entity prepares separate financial statements and accounts for its investments in subsidiaries at cost, net of impairment if any.

ii. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
